

Best Defence Against Unwanted Intruders,  
Small Animals & Domestic Pets

## Technical Specifications

De-Fence is five rows of precise pointed cones, moulded from UV protected polypropylene. Each cone delivers maximum discomfort but with minimum harm.

Our four-hinge design allows it to be perfectly formed on fence tops, pipes and other irregular surfaces. Install with any screw, nail or caulking.

Distributing Maximum Discomfort, with the least amount of harm to:

Pigeons

Domestic Animals

Wildlife

Unwanted Intruders
